78 Regarding whether Premier has sufficient staff/crew members to service the CDDs, Mr.
79 Kurth stated that Premier is hiring but has the necessary staffing to perform the services now.
80 Regarding how often technicians would be on site, Mr. Kurth stated that two technicians would
81 be on site every week and Premier's management would inspect. At least quarterly, there will
82 be a ride through inspection; photographs will be taken and a detailed report will be prepared.

83 Mr. Nott, of Superior, discussed his background and experience and the history of
84 Superior and noted that Superior has five offices throughout Florida. He discussed the number
85 of technicians and crews on staff, Superior's familiarity with the property and with other CDDs.
86 He noted that Superior's pricing reflects the level of services it will take to maintain the CDDs; it
87 is a little higher but he dropped it a little following the Verandah East CDD meeting. He
88 discussed the scope of the project, frequency of services, inspections by Superior's
89 management staff, preparation and providing reports, etc.

90 Regarding the price reduction mentioned, Mrs. Adams stated that the new price is
91 \$154,610 for the first year and \$160,021 for the second year.

92 Mr. Kurth and Mr. Nott stepped out of the meeting room so the Board could consider
93 the two proposals.

94 Mrs. Adams stated that both Premier and Superior are great companies and can
95 perform the work. She noted that, at its meeting earlier today, the Verandah East CDD Board
96 selected Premier.

97 Discussion ensued regarding the pricing and benefits of both being CDDs utilizing the
98 same company.

99 Regarding how the budget shortfall for this expense will be handled, Mrs. Adams stated
100 that fund balance will be used.
